Shortly after the conversion date, you will be able to make investment changes through the Participant Solutions Center at 800-772-2182 or via the web at nationwide.com/myretirement. See the “Learn to Manage Your Account” section within your enrollment booklet for Participant Access instructions. Your new deposit investment mix will also reflect this mapping strategy.

One or more of the core fund(s) listed above may impose trading restrictions or redemption fees. These restrictions and fees are intended to curb excessive trading practices. For more information about the funds available, including all charges and expenses, please consult a prospectus. Fund prospectuses and additional information relating to your retirement plan can be obtained by contacting a Nationwide Representative. You can see the most current status of your plan's core fund trading policies by accessing your account online.
